

item number / security FL20-13*2

13W Integrating LED technology with the traditional spotlight, the LED Spotlight provides an efficient and cost-effective solution for outdoor lighting

Application

residential or commercial outdoor space

Design Specifications

Security FL20 13W*2

13-watt, COB technology, 90 lumens per watt

input:220-240v , frequency:50/60Hz

50,000 hours

PF 0.9, 3 CCT changeable colour temperature optional

CRI:80a , beam angle 120 deg

constant current power supply driver

Flicker free- eyes protection

- 120°
- IP65
- CRI >80
- PF >0.9
- TRI Colour
- 5700k
- 3 years WARRANTEE

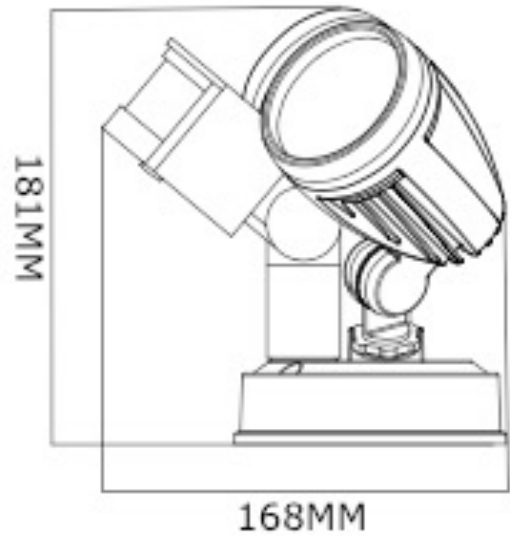

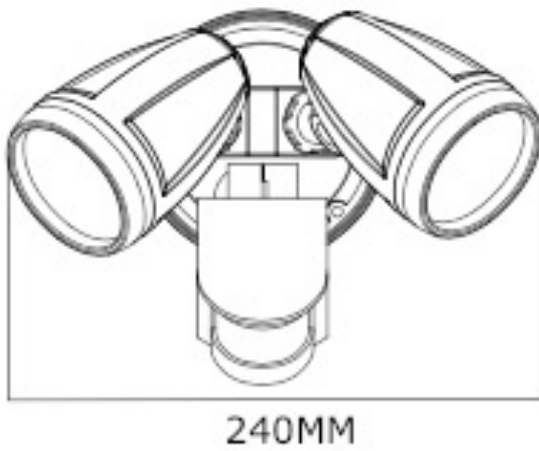

Performance

Motion sensor with timing delay

Technical Specification

Model No.	Description	Input Voltage (V/AC)	Power (W)	Lumens (lm)	CCT (K)	Beam Angle
FL20-13*2 b	13w. floodlight	220-240VAC	13	90lm /w	5700k	120
FL20-13*2 w	13w. floodlight	220-240VAC	13	90lm /w	5700k	120
