

**item number / EOL.CE.QC20**

Surface mounted socket quick connect

**Application**

residential or commercial indoor space

**Design Specifications**

**Easy way for connection**

Rated current /Power...: 10A Rated voltage. 250V

IP rate. IP20

Provision for earthing... Yes, Method of mounting Surface-type

Type of terminals...: Insulation piercing connectors.

.Dimensions.70.4mm(L)×47.7mm(W)×46.5mm(H) Wire

Rindge. 1.0-2.5mm<sup>2</sup>

interior used only

**Performance**

Fire rated nylon

**Technical Specification**
